Is the life cut-off date...
when she died?
Could it be...
that Xiaoya was already dead on 4/17/99?
Then...
what I was dreaming of for so many years...

Could she just be someone who had died decades ago... who went through just a sliver of life?
Did she only appear in my dreams for 14 years because she killed herself at 14?

But,
If the life cut-off date is really the same as when you die...
